### Declarations

#### 1. Authorship and Contribution

By signing this form, all authors affirm that they have significantly contributed to the conception, design, execution, or interpretation of the reported study. Each author agrees to take public responsibility for the content. Each author certifies they meet the ICMJE authorship criteria, including substantial contributions to the conception, design, data acquisition, drafting, or critical revisions of the manuscript.

#### 2. Originality and Ethical Compliance

- The manuscript is original and has not been published elsewhere.
- The manuscript is not under consideration for publication elsewhere.
- The study complies with ethical standards, and appropriate institutional approvals were obtained where applicable. Ethical statement is part of the manuscript.
- Institutional Ethics Committee approval ID/Acknowledgment to be mentioned in the manuscript.
- I/we Confirms adherence to the Declaration of Helsinki or relevant guidelines.

#### 3. Conflict of Interest

- All authors have disclosed any financial or personal relationships that could influence the work.
- Conflict of interest disclosures are included in the manuscript.

#### 4. Copyright Transfer

- Upon acceptance, authors agree to transfer copyright of the manuscript to the **International Journal of Medical Justice**, including the rights to reproduce, distribute, and publicly display the work in all formats.

#### 5. Consent for Publication

All authors consent to the publication of this manuscript in the journal. All authors are aware about the activities of Correspondence author. The Corresponding author is the sole author for communication exchange and all authors agreed to it.
